**Recommended Dosage:**  
 One capsule taken daily with meals or as recommended.

**£3.90 30 capsules**

**Who should take this product:**  
 As the core component of Essential 1, it's most useful during the age of 'three advanced antioxidant products'.

**Supplementary product:**

**Ultra Vitamin C 1000mg with Bioflavonoids**

Ultra Vitamin C provides 1000mg of pure vitamin C in each capsule. It's ideal for those who want to take their vitamin C intake to the next level and you will receive enough Vitamin C to keep you going.

Bioflavonoids are found in the peel of citrus fruits and are known to boost the absorption of vitamin C. So make this one the perfect supplemental antioxidant... all for the price of 10!

<b>Active Ingredients: Typically per tablet</b>	<b>100%</b>
